Windows®. Life without Walls™. ASUS recommends Windows 7.

Eee PC™ Seashell 

Go Anywhere in Style

Ultra slim without sacrifice of connectivity
Lithium polymer battery

With an elegant seashell-inspired design, the ultra-portable Eee PC™ Seashell weighs in at just 1.1kg and is a mere 1" slim. With up to 6 hours battery life and built-in 802.11n WiFi connectivity, you can now stay connected anywhere and do so comfortably and easily. The ergonomically designed 92% size keyboard on the Eee PC™ makes typing a breeze, while the high resolution web camera and digital array mic make online communication simple and fun. The strikingly sleek curves and smooth contours of the lustrous outer shell attract undeniable attention as you go anywhere in style with the Eee PC™ Seashell.

“ DOES IT ALL AT A TOUCH
- All-in-One PC ”

Say Goodbye ~
to Your Cluttered Desktop

EeeTop PC™ - All-in-One PC

Full-Fledged PC and HD entertainment
centre with a space saving minimalist design

The EeeTop PC (ET2002T/ ET2003T/ ET2003T-BR) minimalist design and slim form factor ensures a small desktop footprint. Its light and compact design makes it the ideal all-in-one, plug-and-play PC. That billing is further reinforced by its fast and easy start-up. So plug in the power cable and boot up, because the days of cluttered desktops and messy wiring are over.
